**Question 13:** Tell a future student about this instructor and course.

1. One of the best professors I've had. This man is one of the best and nicest human beings on earth. He is so intelligent and sets his students up to be successful. Rowan please keep this amazing educator around. It is teachers like him that change students lives in a positive way.
2. This course was very informative, the way the course work was set up made the class super easy. The presentation is one of the major parts of your grade, so be sure to listen and study the lesson you will be presenting. Take notes, and be sure to pay attention!
3. Professor Chiang made his lectures very clear and precise and there was always something learned that could be related to everyday life or make you think differently about something in everyday life.
4. My favorite prof. 100% recommend him!
5. This professor is very nice. He displays the information in a powerpoint that is very easy to understand. You have to do weekly reflections that are very simple. This course is a lecture but if you didn't understand something you could ask questions.
6. Mr.Chiang is a great teacher because he is very good at teaching his lessons which helps students understand his lessons, he is also very kind with his students.
7. In an online format, no class is enjoyable so I have no comment on the class in an in-person setting. The class should be easy if you just do the small amount of work that is required.
8. In Intro To Sociology, you will learn the foundations plus more of the fascinating world, study and application that sociology has in our culture and society. You'll explore in detail topics like, Family and Relationships, Education, Race and Ethnicity, Social Structure and more. Professor Chiang is extremely knowledgeable with the topics and makes them fun and insightful for the students.
9. A very understandable professor, that will always try to work with you. Had a great time this semester
10. Good Professor to have, teaches a lot of topics that have you thinking.
